ST MARY'S FELPHAM

Royal tribute: new stained glass com-
memorating the late Queen Elizabeth
II in St Mary's, Felpham, in Sussex.
Designed by Jan Simpson, the Plat-
inum Window shows the late Queen
in silhouette and includes the words
"Not to be served, but to serve",
reflecting on her life of service. The
window was constructed using tradi-
tional stained-glass methods along-
side contemporary techniques, which
include fused glass, painted enamels,
and shallow bas-relief casting. Funds
were raised by the community to meet
the £40,000 cost of the commission.
There will be an open day on 20 June
